

Dear Beef Producers,

Welcome to our annual Angus bull sale at Platte Livestock Market in Platte, SD on Friday, March 29th, 2019 at 1:00 PM. Our program at Varilek CT Angus is to sell only two year old Angus bulls. We consider it a value to our customers in how we develop these bulls rather than sell them as yearlings. Here are a few benefits of using a more mature sire: cows will be serviced more efficiently; less hassle conditioning the bull after the breeding season; and, finally, a more structurally sound animal is being bought. Please feel free to contact us if you have any particular questions about the development of these bulls.

As always the bulls being offered on this year's sale can be viewed at our place ahead of the sale. If it works that you can make it before the sale, we would encourage you to stop. Please check out our website. ([www.varilekctangus.com](http://www.varilekctangus.com)) Customers can find pictures, sale information, and updates. Feel free to contact Duke or Tom if you have any questions or need more information about our program and data on individual bulls.

Thanks for your interest!
