

Dear Beef Producers,

Welcome to our annual two year old Angus bull sale at Platte Livestock Market in Platte, SD on Friday, March 27<sup>th</sup>, 2015 at 1:00pm. Varilek CT Angus is very excited about the bulls and heifer pairs that will be offered this year and look forward to seeing all of you at the sale.

Our program at Varilek CT Angus is to sell only two year old angus bulls. Take a look around, many programs offer two year olds along with yearlings, but not many have ONLY two year old bulls. We feel it benefits our customers to develop these bulls in our conditioning program in order that cows will be serviced more efficiently; that there is less hassle conditioning the bull after the breeding season; and, finally, a more structurally sound animal is being bought. Please feel free to contact us if you have any particular questions about the development of these bulls.

One exciting change that we have decided to make is to offer home-raised heifer pairs on our sale. These heifers are from our commercial herd. They will be calving the first week of March and will be ready to go by sale time. The heifers are all freeze branded and calves will be tagged to match the heifer.

As always the livestock being offered on this year's sale can be viewed at our place ahead of the sale. If it works that you can make it before the sale, we would encourage you to stop. Please check out our website. ([www.varilekctangus.com](http://www.varilekctangus.com)) Customers can find pictures, sale information, and updates. A new addition to this year's website includes a variety of videos on the sale bulls and heifers.

Thanks for your interest!
